Premium Caulking  
Removal Tools and  
Accessories

Proudly MADE IN THE USA

[www.pipeknife.com](http://www.pipeknife.com)

The PipeKnife® sealant cutout knife was commercialized in 1987 to cut the urethane when removing a windshield. Several years later glazing, caulking and waterproofing contractors expanded the use of the PipeKnife® to remove old sealant from expansion joints in windows, sidewalks, parking structures and many other applications. Today the PipeKnife® Company specializes in manufacturing and selling several unique tools for the glazing/caulking/waterproofing markets as well as autoglass replacement markets.

In 1993 Dell Skluzak purchased the assets of PipeKnife® Company and has built the Company into one of the largest suppliers of specialty tools for restoration contractors. The PipeKnife® Company currently manufactures or stocks over 200 items and has patents or patents pending on almost a dozen tools.

The PipeKnife® Company searches out high-end contractor grade tools and unique products, including the line of sealant warming bags and wraps added in 2016. We are proud to manufacture many of our tools in the USA. Simply look for the MADE IN USA LOGO to purchase those tools.

# ELECTRIC CAULK CUTTER, SPECIALTY BLADES, AND TOOLS

## LEADING BLADE SOLUTIONS FOR ELECTRIC TOOLS

The PipeKnife® Company has designed and manufactured a complete line of popular and special blades for the Sonicrafter® as well as several other popular electric oscillating tools.

### SONICRAFTER® OSCILLATING TOOL

P/N: VKPRO Tool w/ case

The Rockwell Sonicrafter® electric cutout tool specs:

- 20,000 strokes per minute
- 6 position variable speed
- 5 amp motor

P/N: VKPROKIT  
Kit - 6IN1 Tool, 5 Tooling  
Spatulas, 5 Pack RSBS  
Blades, Hook Tool

5 Pack 5 Pack

P/N: RSBB-5  
Offset

P/N: RSBS-5

P/N:  
RSBSER-5

P/N: RSBM-5

P/N: VBM-5

P/N: VKBS

P/N:  
VKBSSER

P/N: VKBL

P/N:  
VKINS

The most popular blades, the RSBS fit the Sonicrafter and many other popular brands. All blades are packaged in 5-packs and fit multiple electric tools.

The mushroom blade is designed to cut the inside wet seal to remove glass. Made from spring steel the blade can be flexed to reach tight spots. P/N: RSBM-5 fits the Sonicrafter P/N: VBM-5 fit the FEIN Multi-Master

The VKBS series of blades are designed to fit the FEIN SuperCut. Use the star insert to convert these blades for use on the Sonicrafter tool.

### ZEC DISC WHEELS

ZEC abrasive disc wheels are used to remove old sealant, prep surfaces and clean joints. Stocked in 4.5" and 7" diameter and 8 and 16 grit. (Always use safety glasses when using ZEC wheels and operate at slow RPM's)  
P/N: ZEC4.5, ZEC7

P/N: ZECNUT

### UNIVERSAL BLADE

Almost all major power tool companies now manufacture an oscillating tool. The newly introduced Universal Blade will fit nearly all of these manufacture blades. The 5-pack of VKU-5 will provide maximum flexibility for the distributor and contractor.

P/N: VKU-5

### SPECIALTY BLADES

P/N: RKB202

P/N: RKB203

P/N: RKB204

P/N: RKB90  
bent tip

The PipeKnife® Company manufactures multiple specially designed blades for the electric caulk cutter tools. Designed with offsets, special bends and tips the blades are used to remove multiple pane glass, recessed areas, auto glass and difficult-to-reach locations. Packaged in units of 1 blade the hole pattern is designed for use on the FEIN Supercut and with the insert for the Sonicrafter tool.

# SPECIALTY CAULKING TOOLS AND ACCESSORIES

## THE BEST SELECTION AVAILABLE

The PipeKnife® Company stocks several unique items for special caulking applications and contractor's needs.

### SPECIALTY NOZZLES

The Flex nozzle extends up to 12" long and remains flexible even when full of sealant. Ideal for firestop applications, difficult to reach areas and recessed joints. Comes in a pack of 3 and ideal for 10 and 29 oz tubes.

P/N: FLEXNOZZLE

The Kloss Kaulk is a 3 part flexible nozzle for 10 and 29 oz tubes. The permanent bend provides a 45° bend to apply caulking. The tip is easily removed/ replaced for long-term use. The wing nut self-threads onto the caulking tube for a firm seal.

P/N: KLOSSKAULK

### SPECIALTY TOOLING SPATULAS

Popular in the Western USA the Slick Company Double-end slicks provide a double end profile for multiple types of joints. The SLICKS are also all the same length to provide extra control.

P/N: SLICKSET

Mini metal spatula set for detail work.

P/N: MINISPATULA

### REVOLVER WRAP

The REVOLVER WRAP is an accessory designed for sausage or bulk gun barrels. The wrap insulates the barrel and holds a complete set of metal tooling spatulas.

P/N: REVOLVER – Wrap Only

P/N: REVOLVERSPAT – Wrap and Spatula Kit

### The U-BLADE Joint Sealant Removal Tool

The U-Blade tool is designed to cut both sides of an expansion joint to remove the old sealant. Blades come in 4 different widths and attach to the PipeKnife® tools.

P/N: U-BLADE

- Slice old sealant on both sides of the expansion joint
- Can be used in all varieties of the PipeKnife® cutout knives
- Fits under the backer rod for easy removal
- Can be sharpened
- Can be reversed to extend life of blade

Available widths 3/8", 1/2", 3/4", 1"

# DECK COATING AND PAINT SUNDRY TOOLS

## YOUR SOURCE FOR PAINTING TOOLS AND ACCESSORIES

The PipeKnife® Company stocks a wide line of deck coating and paint sundry items. Our roller covers are phenolic cores and our frames are heavy-duty. Our sundry line provides one-stop shopping for all your high-end coating needs.

### ROLLER COVERS AND FRAMES

Roller covers include 3", 4", 9" and 18" widths and include Phenolic core, Mohair, Lint Free and Microfiber in, 1/4", 3/8", 1/2", 3/4" and 1-1/4" naps.

All Roller Covers are Made in the USA.

We also carry 4" and 6" weenie roller frames, 3" 4" and 9" regular frames, 9" HD, 9" ext, and 18" frames.

### OTHER PAINT ACCESSORIES AND TOOLS

Chip Brushes 1/2", 1", 1.5", 2.0", 2.5", 3" & 4"

10 lb box of rags

Jumbo Roller and Frames

2" and 3"  
Foam Brush

# ARCTIC WARMERS

ELECTRICAL HEATING BAGS, WRAPS AND HOSES TO KEEP TUBES, CANS, BUCKETS, CYLINDERS AND BARRELS WARM.

Private label and colors available on most products.

## CAULK WARMING BAGS

Holds up to 12 tubes, 8 sausages as well as foam cans and two-part epoxy tubes. Max temp. is 115° F.

P/N: WB60908

The Jr. bag holds up to 4 tubes, 3 sausages etc. Max 105° F. Ideal to heat material quickly.

P/N: WB50509

## PAIL WARMING WRAPS

1 Gallon

2 Gallon

The 1 & 2 Gallon electric warming wrap for smaller buckets. Quickly heats up material with a 105° F set-temp.

P/N: 0609-CNW (1 Gallon)

P/N: 0609-PLW2 (2 Gallon)

The 5 gallon bucket wrap is good for temperature sensitive material including fire-stop, epoxy and urethanes.

Max temp. is 115° F.

P/N: 0609-PLW5

## SPRAY FOAM WARMING WRAPS

Dispensing of spray foam is highly dependent on temperature. Our two-wrap systems are designed to heat and insulate material for the ideal temperatures for various spray foam systems.

WRAPS are available for 100, 200, 600 board feet and 17 gallon spray foam kits.

P/N: PLWCLOW (Single Low-Temp Cylinder Wrap for 20# Cylinder)

P/N: 111213TCWS (Low-Temp Cylinder Wrap Set for 20# Cylinder)

P/N: 0913CNTW Twin Cylinder Wrap Set for 100/200 Board Feet

P/N: 0112CWS Twin Cylinder Wrap Set for 17 Gallon/Tall Tanks

The 55 Gallon wraps have dual temp sets of 80° and 100° F to warm and insulate the spray foam material. Combine with the 25' heated hose wraps to create a complete thermally controlled delivery system.

P/N: 0512 DW (55 Gallon Drum Wrap 1 pc)

P/N: 0911HWS - 25' Heated Hose Wrap Starter Unit

P/N: 0911HWE- 25' Heated Hose Wrap Extender Unit (combine up to 6 w/ starter unit)

25' Heated Foam Hose Sleeve.

## NEW PRODUCTS

New 20 lb Hi-Temp Cylinder Wrap (125° F) for LP gas cylinders. Use for food trucks, ice fishing, outdoor BBQ etc.

P/N: PLWCHI

### Heated Caulk Wrap

A wrap using hand warmers to wrap around a 10 oz caulk tube to insulate and heat the material.

P/N: HCW

The PipeKnife® Company is proud to manufacture many of the items in the catalog in the USA, including 100% of our cutout knives. Our suppliers are located in Michigan, New Jersey, Kansas, Florida and of course our home state of Colorado.

We thank all of our suppliers, distributors and contractors for your support and business.
